Vacation Care Booking Policy

Thank you to the families that completed our Vacation Care feedback survey. The results from the survey showed that our current booking policy best meets the needs of our families. Please see details below.

- ✓ Bookings will lock when made. This means when a Vacation Care booking cancellation is requested, the base rate will be charged if we are unable to fill the spot from the waitlist. 
- ✓ Waitlisted children will be automatically placed into sessions when a spot becomes available. If your child is on a waitlist and you no longer require care, please let us know so we can offer the space to another family.
- ✓ You will receive an email to confirm once your waitlisted booking request has been confirmed. All other booking confirmations will occur via the Xplor app (see Vacation Care Booking guide).
- ✗ Cancellations made within 48 hours of a booked session will be charged at the full session rate, as we're unable to fill those places at short notice.

You can email us at bookings@tpsoosh.com.au at any time if you no longer require a waitlisted session so, please let us know if you make alternate arrangements.

We hope this change encourages families to submit Vacation Care booking requests more thoughtfully and helps support the families who need confirmation of care.
