Please see the **Vacation Care Bookings Guide** for detailed instructions on making and managing your bookings via the Xplor home app.

Vacation Care Booking Changes

To make it easier for all families to access care and streamline our bookings and waitlist, we refined the way bookings are managed:

- ✓ Bookings will now lock when made. This means that if a Vacation Care booking cancellation is requested, the base rate payment will be charged if we are unable to fill the spot from the waitlist. 
- ✓ Waitlisted children will be automatically placed into sessions when a spot becomes available. If your child is on a waitlist and you no longer require care, please let us know so we can offer the space to another family.
- ✓ You will receive an email to confirm once your waitlisted booking request has been confirmed. All other booking confirmations will occur via the Xplor app.
- ✗ Cancellations made within 48 hours of a booked session will be charged at the full session rate, as we're unable to fill those places at short notice.

You can email us at bookings@tpsoosh.com.au at any time if you no longer require a waitlisted session so, please let us know if you make alternate arrangements.

We hope this change encourages families to submit Vacation Care booking requests more thoughtfully and helps support the families who need confirmation of care.

Fees and Billing

Fee Structure

Incursion = \$70 (Base rate) + Activity Cost

Excursions = \$90 (Base rate) + Activity Cost + Transport Cost

Vacation care fees will be charged fortnightly via direct debit as part of the normal billing cycle.

CCS - If you claim CCS for your OOSH fees, CCS will also be applied to your Vacation Care fees and you will only be charged the Gap Fee.

Please ensure that your account and card details are up to date to ensure payments are successful.
